

## Anti-theft Insurance Discounts

**PROBLEM:** One vehicle is stolen every 26.4 seconds (FBI Uniform Crime Reports, 2006) This results in over 1.2 million vehicles stolen each year.

**SOLUTION:** With CTS, you can now put your concerns to rest. We help protect your most valuable assets by providing accurate, real-time, vehicle tracking and reporting to allow you to recover your stolen or lost property. In turn, this will also help to lower your insurance premiums anywhere from 10-15%.

Check below for your insurance provider and/or state to see if a discount will apply to your company.
